- World's Craziest Sport! It's wilder than a rodeo; it's funnier than a circus! IT'S DONKEY BASKETBALL!! This double header donkey extravaganza will be at the FHS East Gym on Saturday, March 14th at 7:00pm. A championship playoff game between the winning teams will determine this year's champion. Real live donkeys specially selected for Donkey Basketball will be used for this fantastic show presented by FFA. See "Earthquake" or "Widow Maker", and other world famous comedy donkeys! 500 pounds of pure dynamite! They are rough and tough and hard to bluff and haven't been ridden yet! If you think you've got what it takes to ride the donkeys and play basketball, please see Mrs. Meurs to join a team!
- This week we focused on bonding to school and stepping up with courage. Think about one way you helped make our school a better place. During Women's History Month, we celebrate the power of courage and determination. Keep stepping up, showing heart, and building strong connections. We are glad you are part of our school family!
