- Everyone is invited and encouraged to come to Field of Faith, hosted by FCA, on Sunday night at 6:00 at the football field.
- Mrs. Pepper's 5th hour will report to Mrs. Wessel's today. All students on the zero list should be staying with their assigned 5th hour today.
- All juniors will take the PreACT next Wednesday, October 7th in the Math Wing. Please have your Chromebook charged and leave phones at home, in your vehicle, or in the main office. Phones, food, and drinks will not be allowed in the testing room. Permission slips to leave after testing is complete are due ASAP. Please check your email for the day's room assignments. Students who would usually have class in the Math Wing should check with their teacher for information on where to report for class that day.
- Our *Capturing Kids' Hearts* theme for October is Self-Direction. Self-Direction means taking ownership of your choices, goals, and actions—doing what's right even when no one is watching. Use your self-direction to stand up against negative peer pressure and choose kindness. You have the power to direct your day and lift others up!"
