Lunch Today: Walking Taco, Beans, Churro, Fruit, Vegetable, Milk

- Congratulations to JV Steamer Football on their win over St. Bede last night. Congratulations to Steamer Volleyball on their win over Riverdale . Congratulations to Steamer Golf on their 4th place finish at the tournament yesterday. Owen VanZuiden finished 2nd overall! Good luck to Steamer Golf today as they compete against Stockton, please release them at 2:00. .
- Key Club will be meeting on Wednesday during 5th block in Mr. Ankrom's room. Anyone who wants to be part of Key Club or wants to know more about it should come. We will be choosing officers for the upcoming year. There will be a freshman class officer meeting Thursday during 5th hour with Ms. Smith in the library.
- If you are planning to participate in powderpuff/powderbuff for homecoming find Ms. Smith in the library during 5th hour today to pick up your liability waiver. Powderbuff this year is going to be nitroball instead of volleyball. We made this change so the football boys can participate if they want too. If you have any questions, stop in and see Ms. Smith!
- Freshman to Seniors: Please pick up your yearbook in the LRC if you ordered one!
- Sophomores, Juniors, and Seniors interested in being a class officer this school year need to sign up outside Student Services by the end of the day today!!
- All students please ask your RTI teacher if your permission slip has been turned in. I have received some that DO NOT have a student's name on them!! If you are not marked and have turned in your slip please come to the office to let me know which parent signature is yours!!
- A leadership academy has been developed this year that will include B.L.I.N.D. leaders, class officers, captains from sports teams, and officers from all clubs. We will be meeting during 5th hour once a month. The first meeting will be August 31st, location to be determined. The goal is to have a different speaker for each meeting. If you fall into one of these categories or just want to attend, mark your calendar for the 31st. To all that will be attending the leadership academy on Monday--our speaker has been confirmed. We will kick the year off with Andy Sokolovich from Grow Clinton. You don't want to miss this!!

- Today's LeadWorthy trait is Respect. High school brings together people from all kinds of backgrounds, cultures, and perspectives. Respect means valuing those differences, listening actively, and treating every classmate and teacher with dignity. When we practice empathy and resolve conflicts peacefully, we create a community where everyone feels safe to learn and grow. Practice showing respect today—say hello to someone new. Let's build a culture of kindness together.
