Lunch Today: Grab N Go Lunch, fruit, vegetable, milk

- We will be hosting a blood drive on October 28th. Please check your email for an email from Ms. Smith about signing up. Remember if you are 16 you have to have a signed parental consent form.
- FCA is tonight at 7:00 in the old gym. All are welcome!
- All students-just a reminder to go into your SpacesEDU portfolio to complete your Career Reflection task. Juniors you have not used the portfolio yet so your teachers will try to help you get logged in Thursday and Friday.
- Do you have an interest in traveling to Europe? Would you love to explore the history and culture of Paris and the beauty of the Swiss Alps? Please check your email for an invitation to our upcoming informational meeting for this exciting opportunity. The meeting will take place on Monday, November 2nd, from 6:30-7:30 in the FHS cafeteria. Please see Mrs. Williams if you have questions.
- **10/21  Wednesday – The Science of Glass!**
-  **Chemistry Joke of the Day:** Why do chemists like to solve problems? Because they've got all the solutions.
-  **Chemistry Fun Fact:** Most glass used in windows is made primarily from silica, or silicon dioxide. Adding sodium carbonate lowers the temperature needed to melt the mixture, while calcium compounds help make the finished glass more durable and resistant to water.
-  **Dress Reminder:** We're halfway through the week! Continue to wear your science shirts and let your chemistry pride shine through!
- Asset #8 tells us that young people are valuable resources who belong at the decision-making table. That means your voice matters. During Bullying Prevention Month, using your voice means calling out unkindness and standing up for your peers. How are you using your platform today to make Steamer Nation a safer, stronger community?
