

School Year 2025-2026

Parents and Guardians:

River Bend will no longer be using Titan/Linq as the payment collection system. The Titan/Linq system did not meet our standards of external and internal usage and we are moving to a new payment system called My School Bucks (MSB). After exploring and meeting with several payment system vendors, MSB was chosen for both the internal and external features. MSB will be used for lunch payments, menuing, and paying for any item we add to the River Bend Steamer Store - registration, field trips, etc. We believe MSB will improve operations for both River Bend and our families. The following one page document will help you better understand the MSB system. MSB will be used for the registration process in July.

River Bend Schools will again be utilizing a **two-step** online process to complete all student registration. Online registration will open July 7th and continue until August 13th. In order to complete the **two step** online registration process, parents need to have a [PowerSchool](#) parent login and if wishing to pay applicable fees online, a MySchoolBucks parent login. If MySchoolBucks is not used, applicable fees may be paid in the form of check or cash at the District Office or at any of the school buildings during normal business hours. Please contact your student's school office or the District Office if you need your login information for PowerSchool. Step by step registration instructions for PowerSchool and MySchoolBucks can be found on the District's website: www.riverbendschools.org
