To the Parent/Guardian:

I understand that my son/daughter plans to enroll in the Community Involvement/Career Exploration class during his/her senior year and she/he must be covered by family insurance; the work site's insurance does **not** cover the student; the school's insurance does not cover the student unless the student bought insurance through the school. I also understand that one of the purposes of the class is for the student to provide **free service** to the community. I also understand that my son/daughter **will need to drive** to the work site or ride with another student, unless he/she is working at Fulton High School. I *also understand that any unexcused absence or use of auto for personal business during travel time may result in my son's/daughter's being removed from this class.* I am giving permission for my son/daughter to participate in this class.
