Lunch Today: Waffles and popcorn chicken, sweet potato puffs, fruit

Breakfast Tomorrow: French toast sticks, fruit, juice, milk

- Tryouts for the Winter One-Acts will be after school Friday night for those who were unable to attend previously.
- This Saturday, February 4th, Brunch House will be donating 30% of all proceeds made to Oliver Frick and his fight! We are encouraging students and staff to come eat brunch from 6:30 to 2:30 p.m. that day while understanding that your meal means more than ever!
- Congratulations to Steamer Basketball on their win over Eastland 61-41 last night.
- Good luck to the robotics team as they travel to Peoria tomorrow for sectionals - go Gear Grinders!
- Next week BLIND will be putting on a scavenger hunt for freshmen. There will be pictures hidden of each leader all throughout the school halls and classrooms! The freshmen are challenged to find the most pictures of their BLIND leader. The freshmen student from each group that finds the most pictures of their leader will get a special prize at the end of the week. We encourage all freshmen from each group to participate! Be looking everywhere! - highs, lows, out in the open, a picture could be anywhere! — Upperclassmen we ask that if you happen to find a picture of a BLIND leader, to please leave them where they are so that the freshmen are able to find them. Although we know the game sounds too fun to not participate in, we appreciate your understanding in leaving them for the freshmen to hunt for! Good luck freshmen!
- Today is National Wear Red Day and for the food lovers it's National Carrot Cake Day!
