- Today is World Suicide Prevention Day. Please take a moment of silence to remember those we have lost. **(pause for 5 seconds)** Every 40 seconds, someone loses their life to suicide. I ask that you all stand for the silent and take 40 seconds of today and every day to raise awareness of suicide around the world and the role that each of us can play to help prevent it. You sometimes have no idea what people are dealing with in their personal life. Life can sometimes be hard, so in a world where you can be anything, be kind.
