 - Monday-Canned Fruits or Vegetables
 - Tuesday-Canned spaghetti sauce and soups
 - Wednesday-Boxed Hamburger Helper
 - Thursday-Peanut Butter and Jelly
 - Friday-Bar Soaps and Shampoo
- Join NHS in the LRC during RTI Monday November 10th to create thanksgiving cards to be delivered to surrounding nursing homes as part of a fall community service project
- As we wrap up the week, remember—showing *Gratitude* isn't just about words; it's about action. Use your time and talents to make a difference. Whether it's helping a friend study, volunteering, or showing simple kindness, service is gratitude in motion. Let's keep finding ways to lift others up and show that our school cares by serving others and giving back to our school and community. Let's finish the week strong by thanking someone who's made an impact and by being that positive impact for someone else.
