Lunch Today: Taco Bites, Salad, Churro, Fruit, Vegetable, Milk

.

- Good luck to Steamer Volleyball as they start Sectionals tonight against Brimfield HS at Wethersfield High School, game time 7 p.m.

- Pathway students--if you missed the meeting Friday it is important that you meet with Mrs. Pepper soon. She will be sending out a registration link for team based challenge day and if you haven't told her at some point that you are interested, she needs to know so you do not miss the Challenge day.

- There will be an important basketball meeting today during 5th period for all boys basketball players. The meeting will be in Coach Coffey's classroom and all players need to be there. This Wednesday, 11/4, there will be an informational meeting for any HS boys that are interested in wrestling this upcoming season. The meeting will be in the wrestling room at the beginning of RTI and should be over within ten minutes.

- Invitations to apply for National Honor Society have been sent to qualifying students via Canvas. Applications are due by Tuesday, November 17th. If you have any questions, please see Mrs. Meyers or Mrs. Facio.

- Today we're looking at Teamwork through the lens of psychological safety. A great team isn't just about sports or group projects; it's about making sure every person feels safe to share their voice, ask for help, and be themselves without fear of judgment. This November, let's build Asset #10 in our school by standing up for each other and keeping our hallways welcoming for everyone. Remember: we are always stronger together.
