

## **Wednesday, May 14, 2025**

**Lunch Today: Grab N Go Lunch**

**Breakfast Tomorrow: Breakfast Pizza, Raisels, Apple Juice, Milk**

- Congratulations to Steamer Band and Choir on their concerts this week!
- Good luck to Lady Steamer Track as they compete at Sectionals today at Rockridge!
- Good luck to Steamer Baseball as they take on Rock Falls at home, game time 4:30.
- Good luck to Steamer Softball as they travel to Stockton today.
- If you will be taking dual credit courses through Sauk next year, including College Chem and Sauk Block, Mrs. Facio has emailed you the dual credit registration form. This must be completed by next week. Please stop into student services with any questions.
- Anyone interested in detasseling this summer please pick up information in the office!
- Seniors, it's time to start getting ready for graduation! Do you know where your locker lock is? If you don't have yours, you need to purchase a new lock in the office before graduation. Do you have books checked out or fees to pay for lost books? Check with the LRC to get those taken care of. What does your lunch balance look like? Let's get these things taken care of before graduation!
- Seniors, this is a reminder that you must complete the FAFSA or the Non-Participation in order to graduate from an Illinois high school. There are still four seniors who have taken no action on the FAFSA. Mrs. Facio has emailed the FAFSA application and Non-Participation Form to you. If you do not complete one of these, you will be unable to walk at graduation and will be unable to get your diploma. If you need help, please stop by and see Mrs. Facio today.
- Seniors, you need to put your lock back onto your locker. I will be checking them before Wednesday. If your lock is missing, you need to bring \$6 to the office for a new one.
- Seniors make sure that you stop by Student Services and pick up all of your items. Were you on a banner? Did you miss an awards night? Forget to go to a sports banquet? Double check that you have picked up everything!!
