River Bend Education Foundation

Albany ~ Garden Plain ~ Fulton

Our Goal

To provide the necessary financial support for those important educational activities not currently provided in the school system.

What is the Foundation?

The River Bend Educational Foundation (RBEF) was established for the purpose of directing charitable contributions for the benefit of all students enrolled in the River Bend School District. The Foundation is a nonprofit organization accepting gifts, generating revenue, and seeking new resources to provide educational opportunities in the District.

The operating budget for the school district is designated for specific needs. Funding is not often available for innovative and creative educational projects.

The Policy of The Foundation

The RBEF and the River Bend School District are two separate entities. Funding for the basic needs of our school district must still come from traditional local and state sources and the RBEF does not intend – nor will it be able to replace any of these sources.

The RBEF will seek to provide additional resources to augment or update critical areas of curriculum to make it more responsive to the educational needs of our students. Such support by the RBEF will be consistent with the educational plans, priorities, and strategies of the River Bend Board of Education.

Support for the foundation is a commitment to the value of education. No matter how large or small, your donation will be gratefully received.

CONTRIBUTIONS ARE TAX DEDUCTIBLE
501(c)3

How Does The Foundation Work?

The Foundation is governed by a Board of Directors operating independently for the River Bend Board of Education. The Foundation board members are responsible for selecting targeted projects, and dispensing funds.

The selection of projects will be based on the merit of the request and the potential benefit students will derive from the plan.

The River Bend Educational Foundation not only appreciates your financial support but welcomes your input.

Funded Projects

Through individual grants the Foundation will fund a variety of projects and programs.

Grants may be available for research programs or equipment, special materials, teaching aids, fine arts enhancement, technology enhancement, and science or mathematics enrichment.

The RBEF is committed to creating a general endowment fund from which curriculum enhancement projects will be funded.

How Can I Help?

Tax-free contributions can be made directly to the foundation in the form of:

- Cash
- Check
- Real Estate
- Stocks or Bonds

Gifts may also be given by means of:

- Memorials
- Bequests
- Wills
- Trusts
- Estate Planning
- Life Insurance
