Greetings to all of our School Nurses,

The Whiteside County Health Department Dental Clinic will once again offer the Dental Sealant Program to our area schools for the 2019-2020 school year. The State of Illinois Sealant Grant will cover the cost of the treatment for second and sixth graders if they do not have Illinois Public Aid or private dental insurance.

We do offer the services to kindergarten through eighth grade students. This service is offered for a fee of $40.00 if the student does not have Illinois Public Aid or private dental insurance.

We do have a few changes to our policy for the 2019-2020 school year. This is also open to pre-school and 9th graders.

If the student does not have Illinois Public Aid or private insurance, and is not a second grade or sixth grade student, the payment of $40.00 must be sent with the sealant program paperwork. If the student has private dental insurance, a copy of the insurance card must be included in the sealant paperwork.

Finally, we have some wonderful gifts to giveaway this school year to the School Nurses who recruit the most students for this program. We look forward to working with all of you and we appreciate all you do to help your students maintain a healthy smile.

Sincerely,

Dr. Monica Wilwert DDS, Whiteside County Dental Director

Jana Meiners, Whiteside County Dental Clinic Supervisor

A quality public health dental clinic is coming to school! Our school exam fulfills the state law requiring all K, 2nd, and 3rd graders to have a mandatory dental exam. This program prevents tooth decay by providing exams, cleanings, fluoride, and sealants (a protective coating on the chewing surfaces of the back teeth) to children in need of dental care. A referral may be made to the Whiteside County Community Health Clinic in Rock Falls for follow-up dental care, if needed. A discounted fee of $40 may be available, depending on income (see chart on back). Medicaid/All Kids, insurance, and private pay is accepted. **All insurance information must be completed or full-fee will be charged. Any balance unpaid by insurance will be charged to the parent/guardian.** Thank you for helping us to promote oral health for children.
