

Hello River Bend Families!

For the past couple years, I have been able to provide our community with free sports physicals in the summer and we have always had such a great turn out! Unfortunately, due to the COVID Pandemic this year, I will not be able to provide that service.

I do want to let you know that ALL insurances are required to allow a Well Child Check once a year currently. **This well child check can also be counted as a school and/or sports physical for the entire year!**

I would be happy to see your child(ren) at my office in Fulton to provide this service. If you are interested in this, please call my office at 815-589-2005 to set up an appointment. I will do my best to accommodate a date and time that works best for you and your family. I am also still accepting new patients of all ages as well.

Thank you for all your understanding! I hope everyone enjoys their summer!
