FHS August - September Calendar

While in remote learning, ALL students, regardless of anchor/boat status, are to attend their remote classes daily according to the schedule above. The anchor/boat system will be used when we transition back to onsite learning.

What is happening from 8:00 - 10:30?
This is time students may be requested to come to the building to complete tasks in classes like driver's education, industrial tech, foods, science labs, and others. This time will also be used to meet with students 1:1 for individual support.
