

August 25, 2020

Dear Parents and Guardians,

We are writing to all of you on behalf of the junior class at Fulton High School. As you may know, the class is in charge of hosting Prom every year for the the juniors and seniors of Fulton High School and their dates. Each year, a class fundraiser is held. It is important that as many students as possible participate in our fundraising efforts. The money from this fundraiser helps to provide a DJ, secure a venue, and decorate at both the Grand March and Prom. All of these things are very expensive! On top of that, the junior class must produce a float for Homecoming each year and we dip into our account for supplies for that, as well.

Instead of a traditional fundraiser, we would simply like to ask you as parents and guardians if you might consider a **cash donation** to the Class of 2022. **This is not a mandatory donation** and would be something that you *want* to contribute to! There are many pros to a cash donation:

- No one has to ask anyone else to purchase items from a catalog or brochure.
- No one has to ask anyone at the workplace to buy items.
- No purchase of products that you may not have really wanted in the first place.
- No delivery of items when they arrive.
- No worries about wrong orders or missing items.
- Pure profit for the Class of 2022: **All** money would go to their class account at FHS! When we sell from a brochure, we typically receive no more than 30-40% of the selling cost.

If you would be willing to make a cash donation to the Class of 2022, **please enclose and mail a check payable to Fulton High School**. You may also bring a check or cash **to Mrs. Loncar in the Fulton High School office**. Donations will be accepted **no later than October 9, 2020**. Any amount that you are comfortable donating would be greatly appreciated and go towards a great cause! We have a goal of \$1,000 and your contributions will help us reach our goal! Any questions may be directed to Ms. Brzezinski, Junior Class Sponsor.

Sincerely yours,

Ms. Marie Brzezinski - Junior Class Sponsor

Class Officers - Joey Huizenga, Drew Dykstra, Kelsey Crimmins, and Aliya Bueno
