Current FHS Numbers (as of 9/25)	0	2	2	2
Change from last week	-	-2	+2	-1
District Wide Numbers	3	10	4	13

In-Person Instruction Resumes at FHS!

We are very excited to increase the number of students in the hallways at Fulton High School! Students are in the building from 8:05am to 1:05pm. Students needing extra support can request (or be requested) to stay later than 1:05. Offsite students, or 100% remote students can also request (or be requested) to come to the building and receive extra support. Our teachers and staff have been doing an amazing job adjusting to this unique time in education! Although we have planned and prepared for this day, we are still sure there will be adjustments that need to be made. If your student has any trouble accessing a class or materials, please have them email their teacher!
