

## Remote Learner Expectations!

- Remote students are to join class **DURING THEIR SCHEDULED CLASS TIME** unless they have arranged a different time with the teacher.
- Teachers may ask remote students to come to the building from 1:30 to 3:00 to complete work
  - There are significantly less students in the building during this time and we can easily social distance in the classrooms.

## Snow Days Will Be Remote Learning Days

- If the school district calls a snow day, this will become a remote learning day.
- The District will do its best to call a snow day the night before, but students and families should be prepared to remote learn when inclement weather is in the forecast.
- Teachers will be available during scheduled times on Google Meet.
- To help families that may have internet bandwidth issues due to having multiple students in different buildings, the high school will run a later schedule than the other buildings.

<b>In-Person Schedule</b>			
1st Block	8:05 - 9:20	3rd Block	10:40 - 11:40

## Rapid COVID-19 Testing

- RBSD has rapid tests for symptomatic students and teachers!
- If a test is needed, please contact the school nurse.
- Please note that a non-rapid test may still be needed to confirm a diagnosis of COVID-19

## Credit Recovery and Incomplete Makeup Work

- FHS is providing FREE credit recovery as well as a designated time for students with incomplete grades.
- Up to February 5, teachers will be working with students from 1:30 to 3:00 to earn credit for classes students may have failed during 1st Semester.
- FHS will be calling home to parents of students with failing or incomplete grades to get an estimate of students that will be here in the afternoon. This will help us with lunch and classroom numbers to ensure proper social distancing.
- **IHSA ATHLETIC ELIGIBILITY:** FHS will uphold River Bend's eligibility policy that students must pass 7 of 8 classes in order to participate in extracurricular activities during 2nd semester. HOWEVER, if a student failed more than one class, they are able to earn their eligibility for 2nd semester by completing the credit recovery being offered.
