THE Community's College

Steps for Students To Enroll in a **CAREER ACADEMY**

1. Discuss participating in a Career Academy with your high school counselor and EICC Academic Advisor.

- ▶ Your high school counselor will discuss high school requirements to enroll in the Academy.
- ▶ College courses may require placement assessment including ACT scores, ALEKS or High School Transcript information.
- ▶ The college academic advisors can assist with information on placement, prerequisites and course requirements.
- ▶ Disability accommodations are available. Please communicate those needs to your high school counselor and college advisor.

2. Discuss participating in a Career Academy with your parent or guardian.

- ▶ The Career Academy requires dedication and self-discipline. Talk with your family about the commitment and support you will need while taking college courses while enrolled in high school.

3. Complete the Career Academy Form and College Application.

- ▶ Complete the College Application for admission at eicc.edu/apply
- ▶ For college records including the application and Career Academy Form, please submit the student's personal (non-high school) email address. This email address is used for college logins to academic records and to access course content.
- ▶ The high school counselor and college advisor will assist you in completing the Career Academy Form.
- ▶ A parent or guardian will need to provide a signature on the Career Academy Form (if the student is under 18).
- ▶ Have your ACT, ALEKS or GPA scores evaluated for course placement and sent to the college.
- ▶ Your EICC academic advisor can assist you with this process.
- ▶ The Career Academy Form is required for enrollment into the Career Academy.

4. Attend an Orientation.

- ▶ The college will provide orientation information. Students must complete college orientation as part of the enrollment process.
