

Grand March starts at 5:15pm and students who wish to participate should enter through the north doors between 4:50pm and 5:10pm

Sign in at the LRC hallway table and then line up at the Stage Door closest to the Foods Room. The Prom Court and their dates go through first, and then the rest line up in any order!

When you get to the stage area, hand your introduction slip to the student helper who will hand it to Mrs. French. When you hear your names, walk across the stage, stop in front of the arch on the X and face the crowd. Stay there until Mrs. French calls the next names. Continue across the stage towards the office, go down the steps and follow the arrows on this page! Line up on the South wall... when that seems full, start lining up on the wall towards the office (North).

Wait in place while the Court is announced and the Queen and King are crowned!
